

SHAKERSTIX™

THE REVOLUTIONARY NEW WAY TO KEEP THE BEAT
PATENT PENDING

SHAKERSTIX™ SSMT1

The SSMT1 is our most versatile stick. It combines our patented Shakerstix™ design with the traditional 5A wood tip drumstick and a felt mallet on the butt-end. With the enhanced sound of the SSMT1, you can now play those big cymbal crescendos or melodic tom beats with one end of the stick, flip it, and return to the shaker tip to hold down that chorus groove. It's like having three-sticks-in-one!

Whether it be a gig at the local coffee house, or under the bright lights of an arena, the SSMT1 will compliment your style.
